Dahua DH-P5AE-PV 5MP Wireless Smart Tracking & Siren Camera

250.00 SAR ✓ In Stock

FEATURES :

- MPN: DH-P5AE-PV
- Model: P5AE-PV
- Image Sensor: Dual 1/3" CMOS Sensor
- Max. Output Resolution: 5 MP (2880 × 1620) @25/30 fps
- IR Distance: Up to 30 m (IR and warm light)
- Features: Human & Vehicle Detection, Built-in Mic & Speaker

Specification

Resolution & Sensor:	5 MP high-resolution image output (up to 2880 × 1620 / 2560 × 1920) with crisp detail.
Pan & Tilt Control:	Flexible motorized movement to cover wide areas and minimize blind spots.
Night Vision:	Smart Dual Light technology combining Infrared (IR) and Warm White light for full-color or IR night surveillance.
Active Defense:	Built-in sound and light alarm/siren that triggers upon detecting intrusions.
Two-Way Audio:	Integrated microphone and speaker for real-time remote communication.
AI Detection:	Human and vehicle detection with smart auto-tracking capabilities.
Storage & Connectivity:	Wi-Fi wireless networking, Micro SD card slot (up to 256GB), and mobile management via the DMSS app.
Power & Build: 12V DC / 1A power input, rated for general indoor/outdoor durability (Note: a separate 4G variant, the P5AE-PV-4G, is available if cellular connectivity is needed instead of Wi-Fi).	12V DC / 1A power input, rated for general indoor/outdoor durability (Note: a separate 4G variant, the P5AE-PV-4G, is available if cellular connectivity is needed instead of Wi-Fi).
