155.00 SAR ✓ In Stock

FEATURES :

- Model: XVR1B08-I
- H.265+/H.265 dual-stream video compression
- Supports Full channel AI-Coding
- Supports HDCVI/AHD/TVI/CVBS/IP video inputs
- Max 10 channels IP camera inputs

Specification

Video Inputs:	8 BNC analog channels (supporting HDCVI, AHD, TVI, and CVBS formats) plus up to 10 IP channels with 40 Mbps bandwidth.
AI & Analytics:	8-channel SMD Plus (Smart Motion Detection Plus) to accurately filter human and vehicle targets, reducing false alarms from shadows or pets.
Audio:	8-channel coaxial two-way talk support alongside standard RCA audio in/out.
Compression:	Smart H.265+, H.265, and AI Coding to optimize bandwidth and storage efficiency.
Storage:	1 SATA port supporting up to a 6 TB hard drive.
Outputs & Ports:	1 HDMI (up to 1080p), 1 VGA, 2 USB 2.0 ports, and 1 RJ-45 (10/100 Mbps) network port.
Power Supply:	12 VDC / 1.5A (<7W power consumption without hard drive).
