EZVIZ H8c Pro 4K 8MP Outdoor PT Wi-Fi Camera with AI Detection

290.00 SAR ✓ In Stock

FEATURES :

- 4K Ultra HD (3840×2160) Resolution
- 1/2.7" CMOS Image Sensor
- 350° Pan & 80° Tilt Coverage
- AI Human & Vehicle Detection
- Auto Zoom Tracking Technology

Specification

Resolution:	4K Ultra HD (3840 × 2160 pixels) via a 1/2.7" Progressive Scan CMOS sensor.
Pan & Tilt Range:	350° horizontal rotation and 80° to 90° vertical tilt for 360° panoramic coverage.
Night Vision:	Three modes including full-color (using built-in dual spotlights and an F1.6 aperture lens), infrared black-and-white (up to 30 meters / 98 feet), and smart auto-switching mode.
AI Intelligence:	Smart human and vehicle shape detection, auto-zoom tracking, customizable detection zones, and up to 12 preset viewing directions via the [EZVIZ App].
Audio & Connectivity:	Supports two-way talk, 2.4 GHz Wi-Fi (with dual antennas or dual-band options depending on the regional sub-model), and an RJ45 wired Ethernet port.
Storage:	Local MicroSD card support up to 512GB alongside encrypted EZVIZ CloudPlay storage.
Smart Integration:	Compatible with Google Assistant and Amazon Alexa.
