Hikvision DS-7104HGHI-M1/T 4-ch H.265 1080p Two-way Audio DVR

140.00 SAR ✓ In Stock

FEATURES :

- Model: DS-7104HGHI-M1/T
- 1-ch RCA (2.0 Vp-p, 1 KΩ)
- 4-ch via coaxial cable
- 1-ch (up to 5-ch)
- Up to 2MP resolution

Specification

Video Input & Compatibility:	4-ch BNC analog inputs supporting multiple formats (HDTVI, AHD, HDCVI, CVBS). It also supports hybrid configuration with up to 5-ch IP camera inputs (up to 2MP).
Audio Interactivity:	4 channels of audio-over-coaxial cable, plus a dedicated 1-ch RCA audio input and 1-ch RCA audio output. It reuses the first audio channel for broad two-way talk capabilities.
Video Compression:	Advanced H.265 Pro+ / H.265 Pro / H.265 / H.264+ / H.264 encoding, drastically lowering storage requirements and network bandwidth.
Recording & Output:	Supports up to 1080p Lite stream access at 25/30 fps. Outputs simultaneously via HDMI and VGA at up to 1920×1080 resolution at 60Hz.
Storage Capacity:	1 SATA interface supporting a hard disk drive up to 4 TB.
Network & App Integration:	Built-in RJ45 10/100 Mbps Ethernet port, allowing 32 remote connections and remote management through the Hik-Connect mobile app.
