TOA HA-1060EN Long Range Array Speaker

0.00 SAR ✓ In Stock

FEATURES :

The HA-1060EN is composed of multiple horn speakers positioned in an array. It is a highly efficient speaker. Clear voice can be transmitted to a distant place without acoustic correction. The built-in high-pass filter cuts the bass that can damage the speaker. A double drip-proof structure, and a salt-resistant paint finish, it has excellent durability in an outdoor permanent environment.

TOA HA-1060EN Long Range Array Speaker
